UPCOMING CIVIC ASSOCIATION MEETING

Collaboration * Execution * Working for the Majority

We are working on several topics for an upcoming civic association meeting, which we are targeting for either late January or sometime in February. Among other things, we will include a discussion about neighborhood cameras – what we learned from the survey results and what that means in terms of future direction. Also, if you would like to volunteer for a more active role within the civic association, please let us know prior to the meeting at info@danashores.com

Once we have a date selected and topics finalized, we will send meeting details via email. If you are not signed up for civic association emails, you may do so at info@danashores.com. If you do not have email but want to make sure you receive an invitation to this meeting, please leave us a message with your request, name, address, and contact phone number at 813-335-8931.

HOWL AT THE MOON WITH YOUR PACK! UPCOMING HAPPY HOUR FRIDAY, JANUARY 13

The Dana Shores Women's Club (DSWC) will host the first happy hour of 2017 on **Friday, January 13, from 6:00-9:00 p.m. at the Rocky Point Golf Course (RPGC) clubhouse.** The "Howl at the Moon" event celebrates the first full moon of 2017, a new year, and the close of 2016. **This is a prepaid event and the cost is \$20/person.**

The club's event staff has created a three-course moonshine / food pairing tasting:

1. *Ride the Lightning* (Original Moonshine, lime juice, ginger beer, cilantro, and jalapenos) served with stuffed sweet peppers.
2. *Honey Bear* (Dixie Moonshine mixed with honey and water) served with St. Louis ribs and BBQ kettle chips.
3. *Appalachian Cider* (mix of Apple Pie Moonshine and apple cider) served with vanilla ice cream topped with bits of caramel candy apple.

Please respond to your evite and provide prepayment no later than Friday, January 6. Checks made payable to *Rocky Point Golf Course* may be dropped off at Julie Bowers' home (3942 W Eden Roc Cir). Alternatively, please contact Julie at 813/389-2847 if you would like her to pick up your check. These events are well attended and space is limited to 64 people, so don't miss out on another fun happy hour with friends!

DSWC PHILANTHROPY UPDATES HOLIDAY BOUTIQUE RAISES FUNDS FOR CHARITY

The annual Dana Shores Women's Club Holiday Boutique was held on Thursday, December 8, at the home of Debbie Trujillo (Pelican Island). Thirty-five women arrived with unwrapped gifts that were auctioned off to raise money for our philanthropy projects.

The party grossed \$1,600, with proceeds used to cover the cost of the party and then split between three charities: Guardian ad Litem/Voices for Children Christmas present campaign for Hillsborough County foster children, Florida Red Cross to benefit victims of Hurricane Matthew, and Pack-A-Sack-4-Kids program run by Wesley Memorial Church for chronically hungry children at Dickenson Elementary School. Dana Shores resident, **VeeAnn Mahdieh of Sugar Bar**, provided a wonderful dinner for everyone who attended.

Linda Mills and Carla Markowitz did an outstanding job auctioning each gift, helping to drive the prices upward and raising the contributions to these worthy charities. Top selling items included a Tory Burch clutch that, after a frenzied bidding war, sold for \$125 and an oil painting of Santa Claus checking his list that went for \$100.

Many thanks to everyone who came out to support our fundraising efforts and enjoy one of our most popular holiday traditions.

CHRISTMAS GIFT DRIVE FOR FOSTER CHILDREN AN OVERWHELMING SUCCESS

Representatives from the Hillsborough County Guardian ad Litem (GAL) office reached out to the DSWC this fall to ask for our help. They had seventy-five foster children who remained unsponsored for Christmas gifts this year, and they were spearheading an initiative to bring Christmas to these children through their non-profit counterpart, Voices for Children. Last year, and with very little notice, Dana Shores residents helped to sponsor about 23 children. And this year, between gifts and monetary donations, we more than doubled that! We would like to recognize and thank these special families who helped provide a great Christmas to many foster children this year: **Penny and Bill Campbell, Myra Croft, Sabrina Martin and TJ Ferrante, Ginger and David Wayne, Linda and Danny Mills and their office staff at Dedicated Carriers Inc., Michaelle Popovec, Kenna and Joel Felty, Becky and Bob Kratz, Allison and Brian Roberts, Kari and Todd Bradley, Mary and Michael Chiricos, Anne Tate and Ken Clark, Casey and Andrew Lennox, and Tina Mawn.** If someone's name has been accidentally left off, please notify Julie Bowers so that we can be sure to mention you in next month's *Shore Lines*.

AND THE WINNER IS...

The 2016 Rocky Point Boat Parade included neighbors from Dana Shores, Pelican Island, Sweetwater, and Bay Crest. Although a few challenges kept all the boats from making their way on each canal, overall this was a spectacular parade.

Nearly 90 neighbors cast their vote for our two winners. Congratulations to boat #10 (**Mickey and Minnie**), captained by **John Housand** of Bay Crest and to boat #11 (**Santa's Hat, shown above**), captained by **Josh Silva** and the Versailles Drive crew, including **Morgan and Carmen Mills, Otto Rapp, and Jeremy Walker.**

Our 2016 sponsors include Bahama Breeze, Tampa Bay Bait & Tackle, Salerno's Italian Restaurant, and West Marine. Congratulations to this year's winners who will receive awards from these great sponsors. Special thanks to all participants – captains, crew, hosts, spectators, sponsors, and organizers.

Watch out for an email and the February newsletter to read about the winners of our dock and front yard decorating contests.

FORGING STRONG NEIGHBOR RELATIONSHIPS

While Enhancing the Safety and Enjoyment Along Our Waterways

There are many good, responsible captains navigating our canals, and there are exceptions too. It's those few exceptions that cause our neighborhood some heartburn. Excessive speed can lead to accidents, close calls around blind corners, harm to manatees, and property damage. For these reasons, we've been looking at options to address this concern.

In general, we have three groups of people who operate within our canals: those accessing our waterways via the causeway, those who live nearby, and customers of the jet ski and boat rental facility located near the Westin. We began working with law enforcement agencies to address speeding concerns some time ago, and this has improved matters. Now we are excited about adding a new partnership to the mix.

The Dana Shores Civic Association and its representatives have been working closely with the owners and operators of the rental facility to develop a partnership. Given all that we have in common, this has been an easy partnership to establish. We are both serious about eliminating speeding in the canals, and we both recognize the related issues. Together, we want a highly proactive method of reducing speeding concerns and a highly responsive method of addressing exceptions.

We've established a partnership that relies on reporting from our community volunteers and training and enforcement from the rental operators. Our volunteers are expected to provide accurate descriptions of watercraft that violate wake zones, report incidents immediately and without discrimination to any class, follow agreed upon practices associated with this program, and maintain a collaborative working relationship with the rental facility. In return, rental operators are taking extraordinary efforts to educate renters regarding all local speed zones, requiring renters sign a related policy, fining violators, and (depending on the seriousness of the offense) immediately revoking an operator's driving privileges or placing the operator on a no-repeat-rental list.

We've been piloting this program for several months. It has gone well, and now we are looking to expand the program. We will be reaching out to a few more folks as potential volunteers.

The success of this program relies heavily upon our volunteers, the level of trust they establish with the owners of the rental facility, and our geographic coverage. Volunteers must, therefore, participate in a joint training and must be pre-approved by both the civic association and the rental facility to be involved in this program. You may email us at dana.shores.tampa@gmail.com if you would like to learn more.

60 SECOND UPDATES

Maintenance Around Rocky Point Golf Course:

You may have noticed recent trimming of oaks,

mangroves, and other shrubs around the perimeter of Rocky Point Golf Course (RPGC). RPGC's leaders and Hillsborough County Department of Public Works have implemented a joint plan to help maintain the vegetation surrounding the golf course. Some of the bigger equipment provided by the county will reduce the man hours required by golf course staff, making regular maintenance a little easier.

It's Beginning to Look a Lot Like Florida: We're thrilled with the landscaping improvements along the Veterans Highway, including the installation of palms and other features at the Memorial Highway and Independence Parkway exits. Thanks, FDOT!

Ditch Cleaning: Due to grading issues, water has routinely stood in the drainage ditches along the south and west sides of the golf course during the rainy seasons. This winter, county staff took advantage of some dry weather to regrade these ditches. We expect less stagnant water and fewer mosquitoes next year. Special thanks to Dr. Janet Rose for raising and pursuing this issue.

Holiday

Decorations: Last year, the Dana Shores Women's Club sponsored efforts for a talented group of

residents (LeAnn Anseeuw, Julie Bowers, Tricia DeFrain, Rita Munaker, and Mary Will Thomas) who created our neighborhood wreaths.

This year, special thanks goes to Anne Tate, Julie Bowers, and support of the DSWC for adorning our entryways with these wreaths and adding the beautiful poinsettias! (Thanks to Anne Tate's vision, the entryways at each end of the neighborhood were designed with a small area dedicated to seasonal flowers. This will allow us to add a vibrant touch throughout the year.)

Interested in Cub Scouting?

JOIN TODAY

CALLING ALL BOYS AND FAMILIES who like to camp and learn skills while having a great time in a fun, safe environment!

Local Cub Scout pack 246 is recruiting boys in grades 1 - 5 in 2017. We meet at the Family of Christ West Lutheran Church (5601 Hanley Road) on Thursday evenings from 6:30 - 7:30.

Please join us starting January 5 at our meetings. You may contact long-time Dana Shores resident and pack leader, Michelle Le Floch, at Michelle.dance@verizon.net if you have any questions or would like to volunteer as an adult leader. We look forward to having you!

A STORY OF COMMUNITY AND LOVE

Remember Chloe, the white Shih Tzu that needed a new home last month? She found it one block over on Venetian Way.

In fact, everyone found what they needed. By reaching out and leveraging our community's communication capabilities, her prior owners found a great person to adopt their dog. Chloe is very happy in her new home. Frank Dudek, her new doggie daddy, expressed his joy this way, "Chloe brought so much love in this house, it's unbelievable. All has worked out great."

It's the kind of story everyone hopes for during the holidays.

HEY, HEY, HEY! IT'S NEARLY DUMPSTER DAY!

This year, the Dana Shores Civic Association (DSCA), Dana Shores Women's Club, and Sweetwater are working together to plan our Dumpster Day. We're fortunate to have the support of Hillsborough County Board of County Commissioners, which offers a grant funding the drop-off, use, and pick-up of the dumpsters. Here are some highlights of what you can expect.

LOGISTICS

WHO: Available to residents of Dana Shores, Pelican Island, and Sweetwater

WHEN: Saturday, February 18, from 8 a.m. - noon

WHERE: Skyway Park

Residents are responsible for getting items to the park and properly placing the items in the dumpsters. For those of you who own a truck, please consider how you might help your neighbor.

Residents who are unable to haul large items to the dumpsters may request help. Please email us at info@danashores.com before February 10 with your request. We have helped several individuals in prior years, and we will try to do the same this year.

WHAT YOU MAY DISPOSE OF

Several dumpsters will be available for our residents to dispose of large non-commercial items that would otherwise require a trip to the dump:

- √ Old refrigerators, ovens, water heaters
- √ Steel and other metals
- √ Old furniture (e.g., couches, mattresses, chairs, tables)
- √ Tires
- √ Construction debris (e.g., concrete, bricks, glass, and roofing material)

ITEMS YOU NO LONGER NEED BUT DO NOT WANT TO THROW AWAY

The women's club will bring a charity group to the event who can accept donated items (e.g., clothing, household goods). This will allow you to clean out those closets without filling the landfills.

EXCLUDED ITEMS

Although we can take a variety of items, we cannot handle all items. The following exclusions apply:

- Loose yard trash
- Normal household trash
- Waste from commercial activity
- Electronic Items (such as computers/monitors, televisions, printers, cell phones, and batteries)
- Hazardous items (such as paint, varnish, household chemicals, fireworks, propane tanks, prescription drugs, and fluorescent light bulbs)

LIVING WITH CRABS

This fall we received numerous complaints regarding the placement of crab traps throughout neighborhood canals. In response, Dana Shores Civic Association board members worked with Florida Fish and Wildlife Conservation Commission (FWC) officers to understand our community's rights and address neighbors' concerns. Following these actions, we also worked with FWC to summarize what we learned.

What Concerns Were Raised about the Crab Traps?

Placement of the traps caused several homeowners concern over safety and liability. We received multiple reports from residents whose boat propellers became entangled in the traps. In one of the more serious cases, a single boat suffered nearly \$20,000 of damage. Concerns were raised over crabbers' nighttime activity. Several property owners' rights were also infringed upon when traps were placed behind their boat lifts, interfering with safe navigation into and out of the waterways.

What Rights Do the Crab Trappers Have?

Commercial blue crab harvesters may place their traps in open waters and navigable channels if relevant statutes are met. Among other things, traps must be placed outside of USCG marked channels (typically identified by red/green markers), buoys must be properly marked, and traps may not be placed on private property. Interference with a properly placed crab trap (e.g., removing the trap, relocating the trap, and removing crabs) carries penalties of up to five years in jail and \$5,000 in fines.

What Rights do Dana Shores Homeowners Have?

Here is another reason to love Dana Shores. Our community is uniquely platted, and most homeowners own the submerged lands behind their homes about halfway into the canal. Hillsborough County possesses an easement to these canals for

drainage purposes and federal law requires open navigation of our waterways. Dana Shores homeowners do, however, have the right to trespass non-residents who disturb or place items (such as crab traps) directly onto their submerged lands. Individuals who are trespassed will receive an initial warning. Repeat violations could result in fines up to \$500, charges of a second-degree misdemeanor, arrest, and up to 30 days in jail.

What Does This Mean?

The civic association notified FWC of the complaints we received and, in turn, FWC worked with the crabbers to educate them and have them remove traps from resident-owned lands. We believe that all or most of these traps have been removed.

Traps will remain in the basin at Bahama Breeze and along the south side of the Courtney Campbell Causeway. Boaters should be aware of this hazard, especially when navigating at night.

If trappers return to our neighborhood properties, we will again ask FWC to assist us with their removal and to provide a notice of trespass if appropriate. If you notice widespread issues, you may contact the Dana Shores Civic Association at info@danashores.com for assistance and to provide information that can help speed up the process (e.g., any pictures you can safely take showing the crab boat's FL numbers and days of the week/times of day the trappers visit their traps). Now that we know more, we should be able to act swiftly should the issue recur.

For related issues affecting single residents, please call FWC at 813-558-5050 and press #7 to reach an FWC dispatcher. Please do not harass the trappers or their traps, as there can be serious consequences. Instead, explain to FWC that crabbers are placing traps on private property in canals and request help. If you have additional questions for law enforcement about the crab traps, FWC Officer Baker (Craig.Baker@myfwc.com) has offered his assistance.

This article has been added to the private pages of the danashores.com website for future reference.

DO YOU WANT TO KNOW?

We place strong emphasis on our ability to communicate

with residents. And while we appreciate this newsletter greatly, we also rely upon email a fair amount to gather input on key initiatives; provide information about crime affecting our residents; help reconnect lost owners with their pets; send Evites for social events; vote on a variety of topics; and relay other time-sensitive information.

Four years ago, we had 63 people signed up for emails. Since the inception of the civic association's current board, we have grown the list 8-fold to nearly 500 homeowners and residents.

If you're not receiving email or still rely upon your roommate or spouse to keep you informed, let us know. We are happy to accommodate multiple email addresses per home.

Just send us your name, street address, and preferred email address to info@danashores.com
