APRIL 2017

DSWC ANNUAL EASTER PARTY

The Dana Shores Women's Club is hosting a Children's Easter Party on **Saturday, April 8, from 2:00-4:00 PM at the Skyway Park Playground Shelter**. In the fall, club historian, Debbie Trujillo, created such a wonderful Halloween party for our neighborhood children that she has offered to bring back another popular children's event from year's past – the Children's Easter Party. Children through age 10 and their families are invited to attend an afternoon of food and drink, games, an Easter egg hunt, and a visit from the Easter bunny! If you would like to volunteer to help or donate items for this event, please contact Debbie at 813/966-2520. You may also RSVP for this event at debbietampabay@gmail.com.

BEFORE YOU LEAVE FOR YOUR NEXT TRIP

Did you know that when you leave town for an extended period, you may request that a roving Hillsborough County deputy check on your home?

Forms for vacation watch requests may be found online at www.hcso.tampa.fl.us/A-Z-Directory/V/Vacation-Watch-Request.aspx. You may drop them off in person at the HCSO District III office (7202 Gunn Highway) or contact their office at (813) 247-0330 and ask the desk deputy for assistance.

One Important Hint: If you come home early, be sure to call HCSO at to cancel your vacation watch. Otherwise, things could get interesting!

DANA SHORES CIVIC ASSOCIATION BOARD ELECTIONS

DSCA Board elections were held at the March 7 community meeting. I would like to thank all newly elected board members and all prior board members for their role in moving the neighborhood vision forward. Our new board is composed of the following members:

Secretary and Director of Communications:

Rob Snyder

Treasurer: **Craig Kubiak**

Vice Presidents: **Holly Simmons and Danny Anseeuw**

President: **Allison Roberts**

This team is supported by a great group of Street Representatives; a strong partnership with the Dana Shores Women's Club; various external committee and board representatives; our many wonderful volunteers; and the collaborative efforts of Pelican Island, Sweetwater, Bay Crest, Twelve Oaks, and other surrounding communities and businesses. *Thank you all.*

While the spirit of neighborliness was important on the frontier because neighbors were so few, it is even more important now because our neighbors are so many.

AIRPORT UPATE: What to Expect Going Forward

Although airports often cause concern among communities, many of us chose to live in Dana Shores precisely because of its location facing Tampa Airport. Our proximity provides the Dana Shores road

warrior unparalleled convenience. And because most of Tampa's airport traffic is split between two north-south runways, few planes fly overhead, providing our neighborhood considerable noise-related advantages over other neighborhoods (including those further away like Beach Park, Culbreath Isles, and Carrollwood).

In early March, we sent Dana Shores residents an email explaining the sudden jump in airport noise. Tampa Airport's north-south runway located to its east (1R-19L) closed for a two-week maintenance period, essentially doubling the traffic volume and sending noisy air cargo flights to the north-south runway that sits parallel to Dana Shores (1L-19R). Fortunately, this was a temporary situation. Runway 1R-19L has since reopened, the airport has returned to split operations, and cargo flights have returned to their normal flight patterns.

There are, however, a few other items our neighborhood should be aware of going forward.

1. Runway 1R-19L will be closed the third Wednesday of each month between 7:30 am – 10:30 a.m. for regular maintenance. This moves those flights to the runway parallel to Dana Shores and will result in noise levels similar to what we experienced in early March. (The opposite will be true the first Wednesday of each month, when 1L-19R will close for maintenance.)
2. Tampa Airport's east-west runway (Runway 10-28) is primarily reserved for corporate jets and times of inclement weather when a north-south approach cannot work. Since February 2015, a temporary air traffic restriction has been in place during the construction of the airport's new automated people mover. This restriction was recently removed, and airport traffic will return to operations from two years ago.

Want to Be More Involved with the Airport? Adam Bouchard, Tampa International Airport's Operations Manager, has offered to answer questions, file any complaints, and provide additional information. Mr. Bouchard may be reached at (813) 870-7843. Alternatively, you may go online to access near real-time flight tracks or file complaints at <http://www.tampaairport.com/more-about-publicvue> (If you choose to submit information online, details are critical to making your request actionable.)

You may also join our local representatives, Dr. Janet Marley-Rose and Mike Soby, who are active members of Tampa International Airport's Community Noise Consortium. This group provides the airport regular community feedback, reviews trends, and discusses future direction. Meetings are held every 3 months. The next meeting is scheduled for May 11.

If airport noise is your passion, get involved. It's not a huge commitment, and the more people who are regularly involved, the better our neighborhood is represented. You may contact the airport using the channels above or reach out to us with any questions at info@danashores.com

2017 DANA SHORES DUES

The volunteers of Dana Shores Civic Association (DSCA) and the Dana Shores Women's Club (DSWC) accomplished a great deal last year. **To continue the positive momentum in 2017, we need your help.**

Please support our efforts by responding to this request with your 2017 dues of \$75. Please also include the following form and let us know whether you would like to be more involved in 2017. We have a variety of fun and exciting projects planned. Many projects have flexible time frames, allowing them to fit around individuals' various commitments and interests.

Regardless of when or how much you help, it is always appreciated. The more support we receive, the more progress we can make.

Sincerely,

Allison Roberts

YOUR SAFETY, OUR SECURITY

As we reach the end of each neighborhood project and volunteers have additional capacity, we look to our long-term vision to help determine where we head and what we do next. Last year, we surveyed the community as we started delving into the security portion of our long-term vision.

We recently shared the survey results at the March civic association meeting. Results showed strong support for high-quality cameras to help law enforcement identify suspected criminals coming and going from our neighborhood.

High quality cameras added at key ingress and egress points to Dana Shores would be of value.

Strongly Agree –	Agree –	Neutral –	Disagree –	Strongly Disagree
77%	19%	0%	3%	1%

Using the cameras' historical footage to help identify, investigate, and prosecute criminal and other public-safety matters would be of value.

Strongly Agree –	Agree –	Neutral –	Disagree –	Strongly Disagree
80%	14%	2%	2%	1%

A few strategically placed neighborhood cameras would help supplement the footage residents capture using personal cameras in and around their homes.

Strongly Agree –	Agree –	Neutral –	Disagree –	Strongly Disagree
70%	20%	6%	3%	1%

Strict criteria should exist concerning the access, use, and dissemination of footage.

Strongly Agree –	Agree –	Neutral –	Disagree –	Strongly Disagree
73%	16%	11%	0%	0%

Since the survey was administered last year, we have had numerous burglaries and car thefts, as have Pelican Island and Sweetwater. While we are not unique in having problems, we do have a problem: when criminals come here, they often have a pay day and they are rarely caught.

We are on a mission to change this. To achieve our mission, we'll need everyone's help. Because each successful criminal incident strengthens our reputation among criminals as a good neighborhood to target. Each thwarted attempt strengthens our reputation as a place better to avoid.

We have had roughly twenty residents and other experts recently step forward to help us achieve this mission. The team includes security experts, law enforcement representatives, IT experts, communication experts, and other concerned neighbors who care about our community. There are multiple work streams underway. Some will aim at regularly disseminating actionable advice to residents. Some will develop specifications neighbors can use to purchase and install highly effective video, lighting, and other security options. Some will develop group purchasing options to help lower acquisition costs for individual homeowners. Some will focus on association-led initiatives. And so on. We are currently evaluating hardware and software options for the neighborhood and are working with committee members and law enforcement to develop strict guidelines around use and dissemination of this material.

Expect to see a news block about our Crime-Free Vision in future editions of the Shore Lines for the foreseeable future. Even though we live in a relatively safe community, we hope to involve every resident with the understanding that even one burglary is one too many. We hope you will join us in safeguarding our families and providing everyone this additional peace of mind.
