

SHORE LINES

DANA SHORES

PELICAN ISLAND

MARCH 2015

A lot of Laughter and Good Time

Yep, that's what's in store for our Dana Shores/Pelican Island residents in the coming months. Based on the wonderful support and attendance at our Happy Hour at Rocky Point Golf Course on Friday, February 13, the events the Dana Shores Women's Club has planned for the next few months should be lots of fun! Many thanks to Jim and Deb in the golf course clubhouse for creating some special appetizers for our group and keeping the cocktails flowing. The raffle for the "his and hers" valentine's gift baskets raised \$480 which will help support many of the projects in our neighborhood. Special thanks to the following for their donations of gifts and services for the baskets: Lavender and Lily Esthetics (facial), Nina's Prestige Clean (house cleaning), Backyard Experts (pool service), Rocky Point Golf Course (golf for 4 people), Bahama Breeze (gift certificate), Danny and LeAnn Anseeuw (multiple items), Camille Mahdih (bracelet set from Boho Bar Boutique), Julie Johnson (manicure/pedicure), and Allison Roberts (multiple items). The winners of the women's basket were Mary & Mike Chiricos; and the men's basket, Debbie & Jeff Coleman.

The DSWC will sponsor three events in March. Our annual St. Patty's Day TGIF party will be on Friday, March 13 at the home of Jeff and Ali St. Cyr, 3920 Fontainebleau Drive, from 7:00-11:00. The admission charge is \$10 and beer and wine will be provided. Please bring a dish to share! We will have a luncheon on Thursday, March 19 at 11:30 at Aqua at the Westin on the Causeway. Everyone pays their own way and an RSVP is necessary when you receive the e-vite so that we can plan accordingly. And last, but certainly not least, the DSWC will sponsor another teen service project for our neighborhood teens as part of The Great American Clean-up and "dumpster day" on Saturday, March 28. You can find all the details for this event in this newsletter!

Spring time in our neighborhood should be filled with lots of laughter and good times!

DSWC Board Mtg: 3/05, 10:30 am, at the Rocky Point Clubhouse

DSCA Community-Wide Meeting: 3/05, 6:45-8:00 pm, at the Rocky Point Clubhouse

DSWC St. Patty's TGIF: 3/13, 7-11:00 pm, at the home of Ali & Jeff St.Cyr, 3920 Fontainebleau.

DSWC Luncheon: 3/19, 11:30 am, at Aqua in the Westin Hotel on the Causeway.

DSWC/DSCA Great American Cleanup & Dumpster Day: 3/28, 8:00 am-late afternoon

Dana Shores 2-in-1 Community Clean-up Event

Offering You Dumpster Day & The Great American Clean-Up on One Giant Day

Location: **Skyway Park**

Date: **Saturday, March 28**

Time: **8 a.m. – Late afternoon**

Last year, Dana Shores held two large community clean up events. On April 12, roughly 20 volunteers removed over 8,000 lbs. of vines and invasive species from the park area just east of the bicycle trail and south of the main parking lot at Skyway Park. On May 3, approximately 50 neighborhood families participated in Dumpster Day. People carried, wheel barrowed, drove, and trailered items to the park, filling three contractor-sized dumpsters to the brim.

This year, the Dana Shores Civic Association (DSCA) and Dana Shores Women's Club (DSWC) will work together to coordinate these events on one day. This will provide us a much more efficient means to handle the disposal of invasive plants. We intend to repeat many of the things that worked well last year while responding to several suggestions. Here are the highlights:

- LARGE ITEM DISPOSAL & ELECTRONICS RECYCLING:** Several dumpsters will be available for our residents to dispose of large non-commercial items that would otherwise require a trip to the dump:
 - ✓ Old refrigerators, ovens, water heaters
 - ✓ Steel and other metals
 - ✓ Old furniture (e.g., couches, mattresses, chairs, tables)
 - ✓ Construction debris (e.g., concrete, bricks, glass, and roofing material)
 - ✓ Tires
 - ✓ Loose Yard Trash (NEW this year!)

In order to provide our residents with even more options, this year we have also arranged for an EPC certified company, Urban E Recycling, to take electronic items:

- ✓ Desktop computers, laptops, iPads, Kindles
- ✓ Servers, hard drives, circuit boards, UPS battery backups, LCD monitors (not CRT monitors), routers, USB chords, insulated cables and wires
- ✓ Printers, copiers
- ✓ Cell phones, telephones

Continued on page 4

REMINDER: DANA SHORES CIVIC ASSOCIATION MEETING

Dana Shores 2-in-1 Community Clean Up Event Continued...

- ✓ Medical electronics, X-ray machines
- ✓ DVD players, VCRs, video games, Xboxes, earphones, modems, cable boxes, satellite receivers (excluding TVs)
- ✓ Lead acid non-spillable and lithium ion batteries

NOTE: At no charge, you may ask for onsite destruction of sensitive data. For questions about data security and this vendor's process, visit their website at www.urbanerecycling.com

Although we've greatly expanded our ability to handle a variety of items, we still cannot handle all items. The following exclusions apply:

- Normal household trash
- Waste from commercial activity
- CRT monitors
- Televisions
- Hazardous items (such as paint, varnish, household chemicals, fireworks, propane tanks, prescription drugs, and fluorescent light bulbs)

Residents are responsible for getting items to the park and properly placing the items in the dumpsters. For those of you who own a truck, please consider how you might help your neighbor.

Residents who are unable to haul large items to the dumpsters are encouraged to let us know at least 1 week prior to the event by emailing us at dana.shores.tampa@gmail.com. Last year we helped several individuals in this situation, and we will try to do the same this year.

We will need volunteers to assist in the following related activities:

___ Help coordinate the effort at the dumpsters (e.g., direct traffic flow, ensure the right items go into the right dumpsters, answer questions)

___ Assist residents who are unable to deliver their item(s) by themselves to Skyway Park

2. **REMOVAL OF INVASIVE PLANT SPECIES:** This year we will continue to clean up the area along the bicycle trail immediately south of the main parking lot at Skyway Park and north of the first set of bollards along the trail.

We will need individuals to assist in the following activities:

- ___ Cutting (requires use of chainsaw or other power tools)
- ___ Arranging, picking up, and loading cut items for bobcat pickup
- ___ Vine pulling
- ___ Painting topical herbicide onto stumps to stop regrowth
- ___ Treating ant piles and picking up garbage

WE NEED YOUR HELP. Each project was a great success last year, and we anticipate another great success this year. There is a large amount of work to be done, and we need help from kids and adults of all ages. **Will you please volunteer to assist us?**

The DSWC is sponsoring the removal of invasive plant species along the first part of the bike path and trash collection throughout Skyway Park as the next teen service project. Here is a terrific opportunity to help our own community AND receive high school service hour credits required for

graduation. We will also need several parents to help coordinate our teens and perform different jobs. While elementary school kids cannot receive service hour credit, we would certainly appreciate their help. There is a limit as to how many kids/teens we will be able to work with and still maintain the level of safety that will be required. If you or your teenager(s) would like to help us on this project, please contact Julie Johnson at [813/389-2847](tel:8133892847) or by e-mail at juliejohnson@capitalins.com.

The DSCA is leading the effort to handle large item disposal and recycling. If you are willing to assist us, please respond to dana.shores.tampa@gmail.com and let us know which job(s) you are will volunteer for and whether you are available for a shift in the morning, afternoon, or both.

Lunch and plenty of water and Gatorade will be provided to all volunteers.

We look forward to seeing you on March 28!

Julie Johnson & Allison Roberts
Presidents of the Dana Shores Women's Club and the Dana Shores Civic Association

EVENT SPONSORS. We would like to thank our three major event sponsors:

- **Southern Florida Landscaping and Maintenance** owned by Bart Butler, resident of Dana Shores. Bart will be providing a crew to assist our neighbors along with the bobcat.
- **Hillsborough County Board of County Commissioners and Office of Neighborhood Relations** offer the neighborhood grant that funds the drop off, use, and pickup of the dumpsters.
- **Keep Tampa Bay Beautiful!** will provide behind-the-scenes assistance for trash pickup and invasive plant removal.

60 Second Update

Here is a brief, interim update for ongoing projects. Stay tuned to future newsletters for additional information on these and other topics.

- **Undergrounding:** The Hillsborough County Board of County Commissioners has approved the undergrounding ordinance and detailed procedures for its enactment. We are now in the final stages of outlining our project scope. We will be applying for our petition packet soon.
- **Bicycle Path:** A group of approximately 30 Town 'N Country residents met on January 15 with county officials to discuss the connector trail between the Courtney Campbell Causeway and the Town 'N Country Greenway. We are working to put together a letter from various communities that represents our collective interests and shows consensus. We will provide more information in an upcoming issue of the Shore Lines.

DSWC Benevolence:
A donation to our local Hospice was made for the month of March. Many of our residents have utilized this vital and generous organization.

Proudly serving the Tampa Bay area for over 30 years!

Hogan's Beach Update

Tampa City Council held a workshop on January 29 during which they asked representatives from Code Enforcement, Tampa Police Department, and Land Development Coordination and Construction Services to provide a report on the current use and status of the Hogan's Beach property.

The following three points provide a synopsis of our understanding:

1. The city issued three citations to Hogan's Beach late December related to unpermitted use of the property as a place of assembly, off-street parking, and improper signage. A fourth possible citation was discussed at the meeting, sparking an investigation to determine whether Hogan's Beach has posted required safety placards on their property.
 2. Hogan's Beach representatives indicated they were working with city officials to prepare a letter of understanding and reach agreement as to how the property may legally be used. All activities must be ancillary use to the hotel and restaurant (e.g., use of the pool and volleyball court would be permitted). According to our sources, ancillary use would, however, exclude their regularly selling ticketed special events to the general public as they have done in the past for various concerts.
- Assuming Hogan's and city officials reach an agreement, Hogan's Beach may apply for special event permits up to four times a year. Issuance will depend on whether they can meet city requirements related to traffic control, parking, etc. If Hogan's Beach and city officials cannot reach agreement on the letter of understanding, Hogan's Beach will be asked to come before the court magistrate this spring.
3. All agreed that disruptive activities and related issues have settled down at Hogan's Beach since the matter was last discussed before Tampa City Council in December. Due to weather and other factors, the New Year's Eve celebration had relatively low attendance compared to prior years. The bar's representative indicated they have canceled all outdoor concert events at this time. In an effort to ensure we can remain good neighbors after the weather warms and spring break arrives, Tampa City Council has scheduled a future check point on April 16 to monitor the situation.

Please continue to keep us informed if you learn anything new or relevant to this topic. We would like to thank all of those whose efforts have been instrumental in addressing these issues.

A Great Fit!

Last year we polled our residents to gauge interest in free bicycle helmets. Based on the positive response, we applied for a grant and neighborhood volunteers received training as fitters.

Two neighborhood residents and one neighborhood pup pose for a picture at our first Dana Shores helmet fitting event.

We received our helmets in early 2015 and distributed them to Dana Shores and Pelican Island residents who had indicated interest in the program. Based on recipients' feedback, we plan to continue working with outside organizations to provide bicycle helmets to existing and new neighbors.

We have a few sizes left in stock and are waiting on replenishment of our adult large and extra-large sizes. If you are interested in this program but missed out this time, please let us know at dana.shores.tampa@gmail.com

GO Hillsborough!

Hillsborough County is working to create community transportation plans, and you are invited to participate. If you plan to live in this area for a long time and travel beyond Dana Shores Drive, please consider the importance of good transportation when making your choice of whether or not to attend these meetings.

The question is not whether good transportation is important to our standard of living but what to do about it. Hillsborough County faces critical funding shortfalls and increasing congestion. "GO Hillsborough is about truly understanding our transportation needs and desires at a grassroots level, exploring what makes sense in our residents' daily lives and then helping them make what we all know will be some important and likely tough choices," said Sandra Murman, chair of the Hillsborough County Board of County Commissioners.

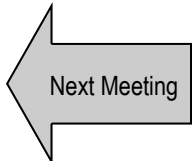

This forum provides an important opportunity for your voice to make a difference. A strong voice is important if we expect county leaders to understand our needs, and a strong voice requires broad participation.

The opportunity is composed of a short series of public meetings. Meeting dates specific to Town 'N Country are listed below. Each of these meetings will be held at the Town 'n Country Regional Public Library, 7606 Paula Drive, between 6 – 8 p.m. You may RSVP at gohillsborough.org. If you cannot attend one of these nights, workshops are also scheduled on other days throughout the county. (Questions may be directed to Liana Lopez at lopezlia@hillsboroughcounty.org or 813-272-1141.)

We hope to see you there!

Meeting II: Voices – Exploring Options
Monday, March 30, from 6 to 8 p.m.
at the Town 'N Country Regional Public Library
Explore opportunities aimed at addressing local issues

Meeting III: Choices – Making Choices
Tuesday, April 7, from 6 to 8 p.m.
at the Town 'N Country Regional Public Library
Delve further into potential transportation options.

Questions About Tampa International Airport

We have received a few recent questions about airport noise. The following is intended to help address any related concerns our residents may have.

Airport noise tends to increase in general over the winter. This is primarily due to the uptick in seasonal holiday traffic (frequency) along with colder weather that keeps noise trapped below the clouds (volume). As 2015 proceeds, the volume and frequency of airport noise should wane.

On February 10, neighbors noticed commercial jet activity over Dana Shores. According to Tampa Airport's Noise Officer, this was temporary to allow the FAA one day to perform navigational aid equipment checks on the west runway.

Media reports also came out mid-February warning of increased airport noise due to construction of Tampa Airport's Master Plan. In order to make room for a new people mover, the airport must reconstruct Taxiway J. In the interim, daytime runway operations must change so that more aircraft are routed to the east side of the airport. Although Carrollwood, South Tampa, and other areas to the north and south of the airport will likely experience an increase in airplane noise over the next nineteen months, Tampa Airport's Noise Officer informed us that this closure has no foreseen negative or direct impacts on Dana Shores. Runway 10-28, which has a flight path directly over Dana Shores and Pelican Island, will continue to be used periodically by corporate jets, by medical transport flights, and during periods of inclement weather when an east-west approach or landing is required.

If you have questions about the airport's current project, you may visit their website TampaAirport.com or call the Airport Noise Officer, Herman Lawrence, at (813) 870-7843. Dr. Janet Marley, a resident of Dana Shores, also sits on TIA's Community Noise Consortium in order to provide the airport with regular community feedback, review trends, and discuss future direction. Meetings are held once every 3 months.

Janet has requested a second person from our community to work with her. Related technical expertise is helpful but not required. If you have interest in participating in the airport's neighborhood forum along with Janet, please let us know at dana.shores.tampa@gmail.com
