

ANNUAL BOUTIQUE PROMISES HOLIDAY FUN!

Tuesday, December 2

Join us for the annual Holiday Boutique and Auction at the home of Jeffy and

Ralph Beaver on Tuesday, December 2, starting at 6:30 p.m. Attendees are asked to bring an unwrapped gift with a minimum value of \$50 to be auctioned off during the evening. Half of the net proceeds will be donated to Voices for Children, and the other half will be invested in neighborhood improvement projects. In addition to toy donations, over \$3,500 was raised for the children at last year's event.

Residents of Dana Shores, Pelican Island, and The Cove are invited to bring a friend, your checkbooks, and your holiday spirit!

If you'd like to be part of the food planning and preparation, please contact Jeffy at jbeaver1@tampabay.rr.com or text to 813-857-1167.

COME CELEBRATE WITH YOUR FRIENDS & NEIGHBORS

Saturday, December 20

All neighbors are invited to a family-friendly Christmas/Holiday Party at Rocky Point Golf

Course Clubhouse. We'll have music, laughter, Santa Claus, a cash bar, and a hot chocolate station.

This year, we'll start the festivities with Santa Claus from 4:30-6:30. The DJ will start at 5:30 and run until 9:30. Be on the lookout for additional information from the DSCA, including an Evite via email and Facebook.

If you are interested in helping, please reach out to Holly Simmons (954-464-3532).

We truly hope everyone can make it. We can all use some joy in our lives and a reminder that each of us is an important part of our community.

THE OFFICIAL UNVEILING OF 19eleven

Visit the New Neighborhood Hangout on Wednesday, December 17

The Rocky Point Golf Course clubhouse has undergone a major renovation in 2025. The pro shop was Phase 1 of this renovation with upgrading of flooring and displays. The shop now has a modern look and an inviting atmosphere for golfers. The restrooms and hallway connecting the pro shop and grill was Phase 2 of this renovation. The upgrading of all flooring and restroom fixtures has provided a complete transformation of this area. The bar and grill area was Phase 3 of this renovation and has just been completed.

The newly named 19eleven at Rocky Point is a sports restaurant whose name pays tribute to the year this course was founded. The completely renovated bar provides guests a comfortable area to eat, drink and watch sports. There are over 10 big-screen televisions throughout the restaurant, along with new chairs, tables and barstools. A new gaming area will feature darts, Golden Tee, and much more.

There will be a preview of 19eleven for area residents on Wednesday, December 17, from 6:00 PM - 8:00 PM. Guests will be able to enjoy complimentary hors d'oeuvres, beer, and wine, while experiencing all that 19eleven at Rocky Point has to offer. (see flyer on page 4)

ANOTHER MAJOR ENHANCEMENT TO THE CHILDREN'S PLAYGROUND

The final phase of planned renovations is tentatively scheduled to commence in early December at Skyway Children's Park. A small merry-go-round will be placed in the middle of

the playground, and synthetic turf will replace the wood chips, offering a cleaner, safer, and more inclusive environment.

This is an exciting upgrade for the playground. Many thanks to Hillsborough County Parks and Recreation for their work on this project, and many thanks to Katie Heckert and Allison Roberts for their collaborative efforts on behalf of the Dana Shores Civic Association.

The playground will be closed for roughly one month during installation. Please respect all posted signage.

DOES YOUR INPUT WITH PUBLIC AGENCIES MATTER? YES!

Years ago, Dana Shores residents attended a public workshop sponsored by FDOT to discuss changes along SR 60/Memorial Highway between the Westshore Interchange and Independence Parkway. Ideas were shared. Feedback was gathered. And now, we have widened lanes and a new flyover ramp from SR 60/Memorial Highway to Independence Parkway.

If you have ever wondered whether you should invest your time attending public meetings suggested by the Dana Shores Civic Association, we believe the answer is yes. Our community has been active for many decades shaping the surrounding area. In life, we often don't get exactly what we want when we want it, but we can have a profound

and positive impact in many ways. Dana Shores residents have a history of working together and have cleared this bar many times. With many new residents moving into Dana Shores, we hope you will also become involved to help ensure our area continues to morph and grow in a positive direction.

Many thanks go to the large number of Dana Shores residents who attended FDOT's Project Development & Environmental Study for SR 60/Courtney Campbell Causeway in early September. Survey results showed significant public interest in protecting and enhancing Natural Resources. In future editions, we'll provide updates on some of the related work FDOT is undertaking. Stay tuned.

TIPS ON DECORATING YOUR BOAT

Here are a few tips on how to deck out your boat easily and create plenty of crowd appeal.

LIGHTS (Simple Method) If you have a cigarette lighter on your boat and are planning to use strands of LED mini lights, it's relatively easy to power them. Inverters are available online for under \$30 that plug directly into your cigarette lighter and provide a regular household outlet to plug into. No batteries or generators are necessary, but the combined wattage of the lights you plug in must be below the wattage limits that both your inverter and your cigarette lighter can handle. If you need a little advice on the calculation, feel free to contact info@danashores.com, and we can give you a hand.

(Alternative Lighting Options) Purchase an inverter that you can connect directly to the boat's battery posts. The clip-on types are most convenient; the screw-down terminal types are a little more secure but require a little more effort to connect. You can get a much larger inverter than you can when hooking to the cigarette lighter, just make sure you keep your motor running once the inverter is on or have only one battery selected for the inverter.

A spare battery (e.g., deep-cycle, 31-series battery) can also be set on the deck with an attached inverter. This may be necessary for traditional incandescent bulbs or boats that have only one battery.

COLORS: If you're looking for a certain color of LED lighting, <https://www.christmascentral.com/> has plenty of options to choose from with different colored bulbs, wires, etc. Christmas Central also has lights with wide-angle tips, which are even brighter than traditional mini lights.

SHAPES: If you want to do a shape of some sort that's not readily available, a little imagination and PVC pipe from Home Depot or Lowes can do the trick. ("Baby shark" was made entirely of PVC pipe. You'll likely want to purchase the thick-walled, 3/4- to 1-inch PVC pipe to keep it from bending under the weight of the lights.)

THEMES: It's fun to pick a theme, and we've seen many of them – The Stanley-Cup-Winning Tampa Bay Lightning, A Christmas Story, Under the Sea, Margaritaville, and others. Picking a theme and running with it can be a real crowd pleaser!

Work the crowd! Play some music. Be creative, be festive, have fun, and remember to always be safe!
